

DEAN OF THE SCHOOL OF MEDICINE
Thomas N. and Gleaves T. James Distinguished Chair

November 18, 2008

Rishi Kumar
4311 Lake Lavon Court
Richmond, TX 77469

Dear Mr. Kumar:

Congratulations on your acceptance to the School of Medicine at the University of Texas Medical Branch (UTMB). This acceptance represents an affirmation of your stellar accomplishments and your potential success as a medical student and as a physician.

We would like to welcome you and give you the opportunity to learn more about the people and programs that distinguish UTMB as a "place like no other." To that end, members of our alumni family and parents are hosting receptions for accepted students throughout the state of Texas, and you are invited to attend the reception that is most convenient for you.

Current students, faculty, and alumni will be at the reception to welcome you and answer any questions you may have about the UTMB medical school experience or life after UTMB. The reception dates and times are enclosed. Please RSVP to Kimberly McInnis at kcmcinni@utmb.edu or call her directly at (409) 789-0908 by December 1, 2008 to let her know which reception you plan to attend.

Again, congratulations on this milestone achievement, and I wish you the best of luck as you fulfill your dream of becoming a physician.

Sincerely,

Garland D. Anderson, M.D.
Dean, School of Medicine
Executive Vice President and Provost
Thomas N. and Gleaves T. James Distinguished Chair
